International colloquium The social dimension of sanitary crises throughout History

We are pleased to announce the **International colloquium The social dimension of sanitary crises throughout History** (Uni. Lleida), to be held on the platform Teams on 30th-31st October 2024.

It is an event organised within the framework of the project *The social dimension of health crises in Lleida and its region in the European context: from the Black Death to COVID-19 (IlerCriSan)*, 2023CRINDESTABC. It also involves the projects EPIDEMED (PID2020-117839GB-I00) and Mortalitas (PID2023-151785NB-I00).

Attached you can find the final programme.

To attend the virtual event and to get the corresponding link, please write to albert.reixach@udl.cat [mailto:albert.reixach@udl.cat]
